## **1941 Craftsman 10103662 Atlas Drill**

This is a reproduction, not a photocopy, of an original Atlas No. 73 Drill Press Operator's and Parts Manual. I've included the Craftsman 101.03662 parts manual with this one as well, which is also similar to the 101.036261 model. The Craftsman version of this manual just had a parts diagram, and thought this would provide more information.

First shown in the All-models catalog for 1931/1932, Atlas drill presses were eventually to be branded - as were many of the company's other products - as "Craftsman" and "Dunlap" for sale by Sears. The drills were introduced as a range of three models: from a light, plain-bearings type, the No. 40 for amateur use, to a pair of better-specified ...
