I bought this to adjust the air screw on the carburetor on my 2007 Honda VTX 1300S. It works well. It has a small locking mechanism that keeps it secure in the tool. Honda wanted \$80 for a similar product. I bought this along with a flexible adjustment tool that this socket snaps into. This socket was under \$5 and the apparatus it goes on was ...

I ordered this carburetor for my 2007 Honda trx 400ex. Perfect fit Straight Out of the Box, no problems at all out of it fired right up one small idle adjustment that was it definitely recommend. The only thing that I would recommend is to make sure all your screws on carburetor are tight, some of mine were loose other than that great carburetor.
