FLIGHT AND GROUND INSTRUCTOR KNOWLEDGE TEST GUIDE
3. Flight instructors are trainers. If you are a flight instructor, your aim is to give students good instruction and sufficient practice so that they can fly aircraft proficiently and safely. 4. Part one of this guide is designed to describe some basic instructional techniques that apply to: ground school training;

Flight Instructor Guide — Aeroplane (TP 975)
testing a Flight instructor applicant. The idea for this guide has been floating around in my head for some time. After retiring from the FAA, with just short of 30 years as an Operations Inspector, I decided to teach part-time. My agreement with the owner of the school where I teach is that I could focus my efforts on Flight Instructor students. Between my experience as an Inspector, giving Initial Flight Instructor flight checks and

Flight Instructor Endorsement Guide
The FAA has separate knowledge and practical tests for private pilots, commercial pilots, and flight instructors. The first ten sections of this guide apply to all three. The last will be of more interest to those preparing for flight instructor tests. Students are urged to study the material here and then review the applicable knowledge test questions.
