Mr Weng's IB Chemistry reviews What people say Mr. Weng's teaching style is high quality and to the point...He is a very good teacher that many students speak fondly of him.

IB Chemistry - Mr Weng
I think this is probably the best IB chemistry book out there. Extremely high quality with very comprehensive explanations and examples on how to solve questions! There are "Challenge Yourself" questions that serves as a great checkpoint that you have fully understood the chapter, so keep an eye on those!
