technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Practicing reading at the level where a child “should” read can promote frustration and disinterest.

Reading two levels below where they are reading promotes self-confidence, independence, increased self-esteem and self-assuredness, says Gonzalez.
