### **In My Own Way An**

In My Own Way is a congenial reminiscence of counter-cultural currents from the 1930s through to the 1960s, written by a self-indulgent sensualist for whom spiritual exploration never seemed to require much in the way of self-sacrifice or even self-discipline – although Alan Watts's public life was certainly productive, with a stream of publications and lectures that have done much to popularise Eastern thought in the West.

### **In My Own Way by The Marshall Tucker Band (from Where We All Belong)**

In my own way is the idiomatically correct expression. I can't think of a situation where I would use on my own way. Now, in my way and on my way are both valid expressions. You could say in my way instead of in my own way if you wanted to; the own just provides a bit of emphasis. If I am on my way, I am proceeding to an expected destination. One more thing:
