men with green faces, vietnam 1969

The Green Man, and very occasionally the Green Woman, is a legendary being primarily interpreted as a symbol of rebirth, representing the cycle of new growth that occurs every spring.The Green Man is most commonly depicted in a sculpture, or other representation of a face which is made of, or completely surrounded by, leaves. The Green Man motif has many variations.

Green Man - Wikipedia

An emerald green dial stands brilliantly against a stainless steel link band in either gold or silver tone. The watch face includes a 3-hand Japanese quartz movement with a day and date window sitting at 3'oclock and printed seconds track. The luminous-filled hands are custom molded and offer a sharp and clean edge.
