sail | James Patterson

Written with the blistering pace and shocking twists that only James Patterson can master, SAIL takes "Lost" and "Survivor" to a new level of terror. I listened to this as an audio book and the male narrator was just awful. I couldn't stand the affect in his voice and it bothered me the entire time I listened to Sail.

SAIL is written for adults who are savvy to the ways of the world, and it disappoints them. It lacks understanding of processes within biology, physics, psychology, sociology and social systems. From the outset, there are questionable characters who have way too much money and way too much education to behave as they do.

Sail by James Patterson, Howard Roughan | Audiobook ...

Sail is one of the "unpopular" books by James Patterson and I received it quite cheap on Amazon. The writing was nothing close to the writing in his earlier works, but that is pretty typical of Patterson's recent books since he doesn't write them by himself but rather uses other authors to write the book and then Patterson puts his stamp on the book to make sure that it sells.
