Tecumseh Lawn Mower Engine Carburetor

The Tecumseh carburetors available are compatible with many common mower brands. What is a carburetor? A carburetor moves gas from the tank and mixes it with air to power the mowers engine. It features a filter that helps to keep dirt and dust from entering the motor. A carburetor will have a metal bowl that is used to hold the gasoline when it moves from the gas tank. How do you select a carburetor for your Tecumseh mower?
