The Canal Lee Rourke

Review by Eric Jett While others continue to distract themselves with work, television, and the occasional book, the unnamed narrator of Lee Rourke's debut novel, *The Canal*, has resigned from his unremarkable job to loiter full-time at a local towpath. His goal is to embrace boredom, but this takes a backseat when he is joined by a gang of violent teens and a young woman made of secrets and lies.

The Canal by Lee Rourke - Goodreads

In a deeply compelling debut novel, Lee Rourke—a British underground sensation for his story collection *Everyday*—tells the tale of a man who finds his life so boring it frightens him. So he quits his job to spend some time sitting on a bench beside a quiet canal in a placid London neighborhood, watching the swans in the water and the people in the glass-fronted offices across the way while he

collects himself.

The Canal » Melville House Books

The unnamed narrator not only admits his life is a drag; he embraces banality. Disgusted by his inane office job, he quits and spends every morning on a bench along a London canal, watching waterfowl in the park and aircraft above, and commuters headed to and from their deathtrap jobs. When a mysterious young woman begins to join him on the bench, recounting strange stories and confessing lies ...

The canal, Lee Rourke

Lee Rourke's *The Canal* is an outstanding debut novel that by its end delivers an almighty punch. A man quits his work to embrace the boredom that he senses all around in modern life like the hum of air conditioning.
